Aims of Trustees

The statement of Messrs. Vail, Pritchett and Sedgwick, the trustees, reads:

"Mr. Lamont's statement needs no amplification. Had he followed a natural course and retained under his personal control the stock of 'The Evening Post' his reputation would have been sufficient assurance of a just and liberal policy. But in view of his desire to prevent the possibility of misconception, we accede to his request and, in accepting this trust, agree to use our best and independent judgment in yoting Mr. Lamont's stock and in electing
